

HOW TO STENT THE FEMORAL BIFURCATION ?

E Ducasse

Unit of vascular surgery
bordeaux

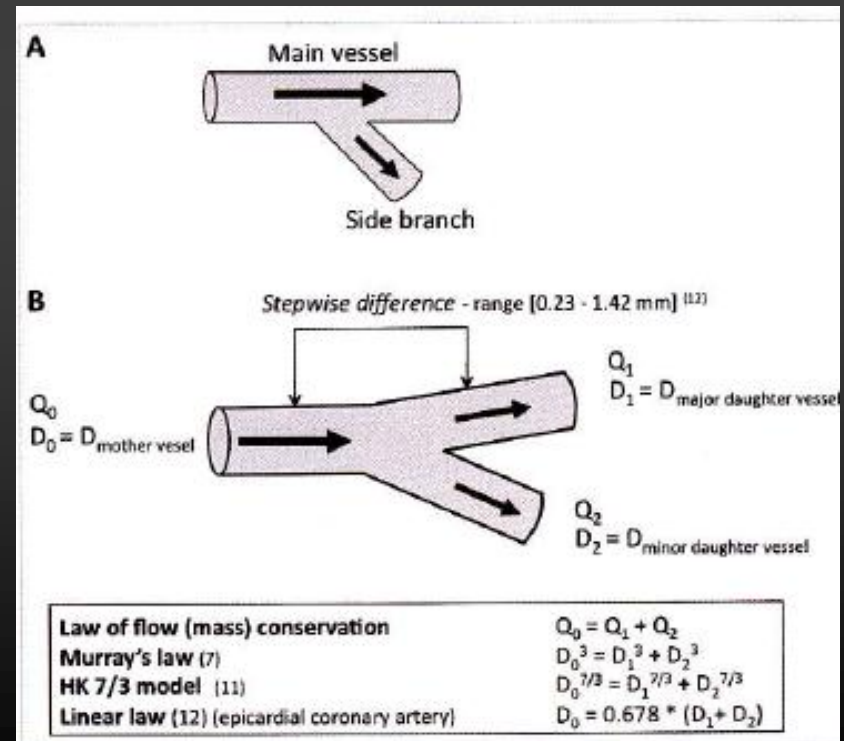

CACVS – TERUMO Symposium

WHY ?

- Some good indications for the CFA bifurcation stenting
- Preliminary series with good results
- Expecting the TECCO trial
- Obviously the surgery is the gold standard...

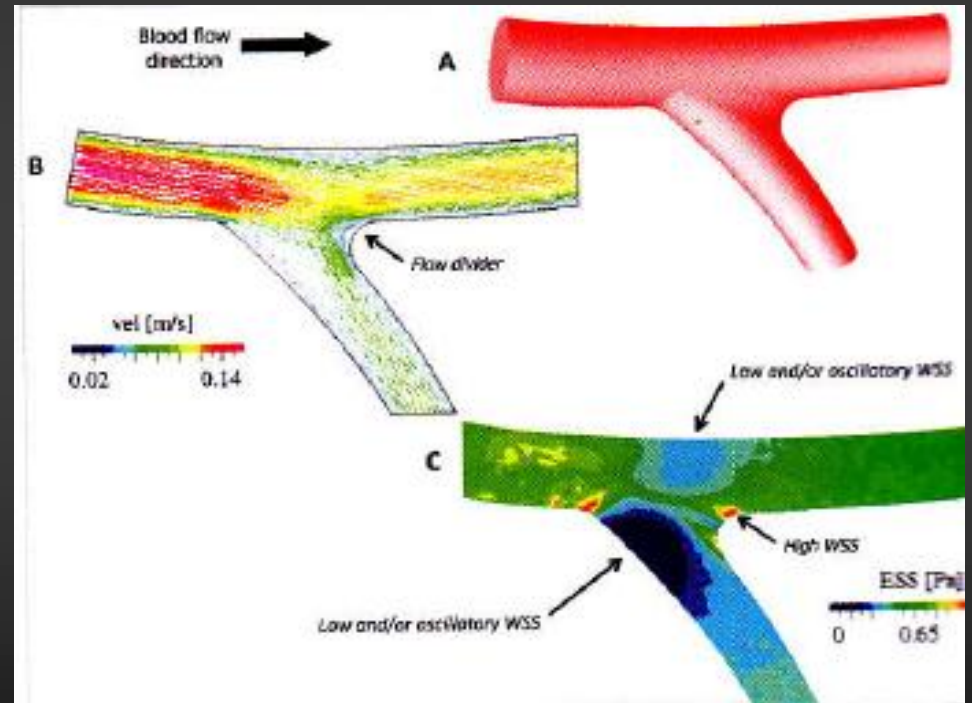

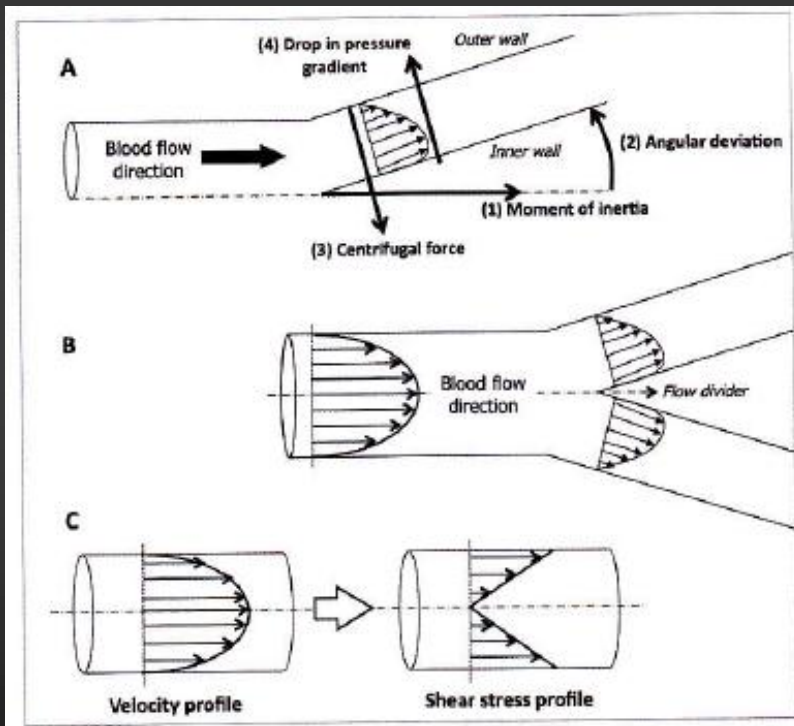

HOW ?

- Great disparity of techniques
- Particularly investigated in the coronaries bifurcation treatment...

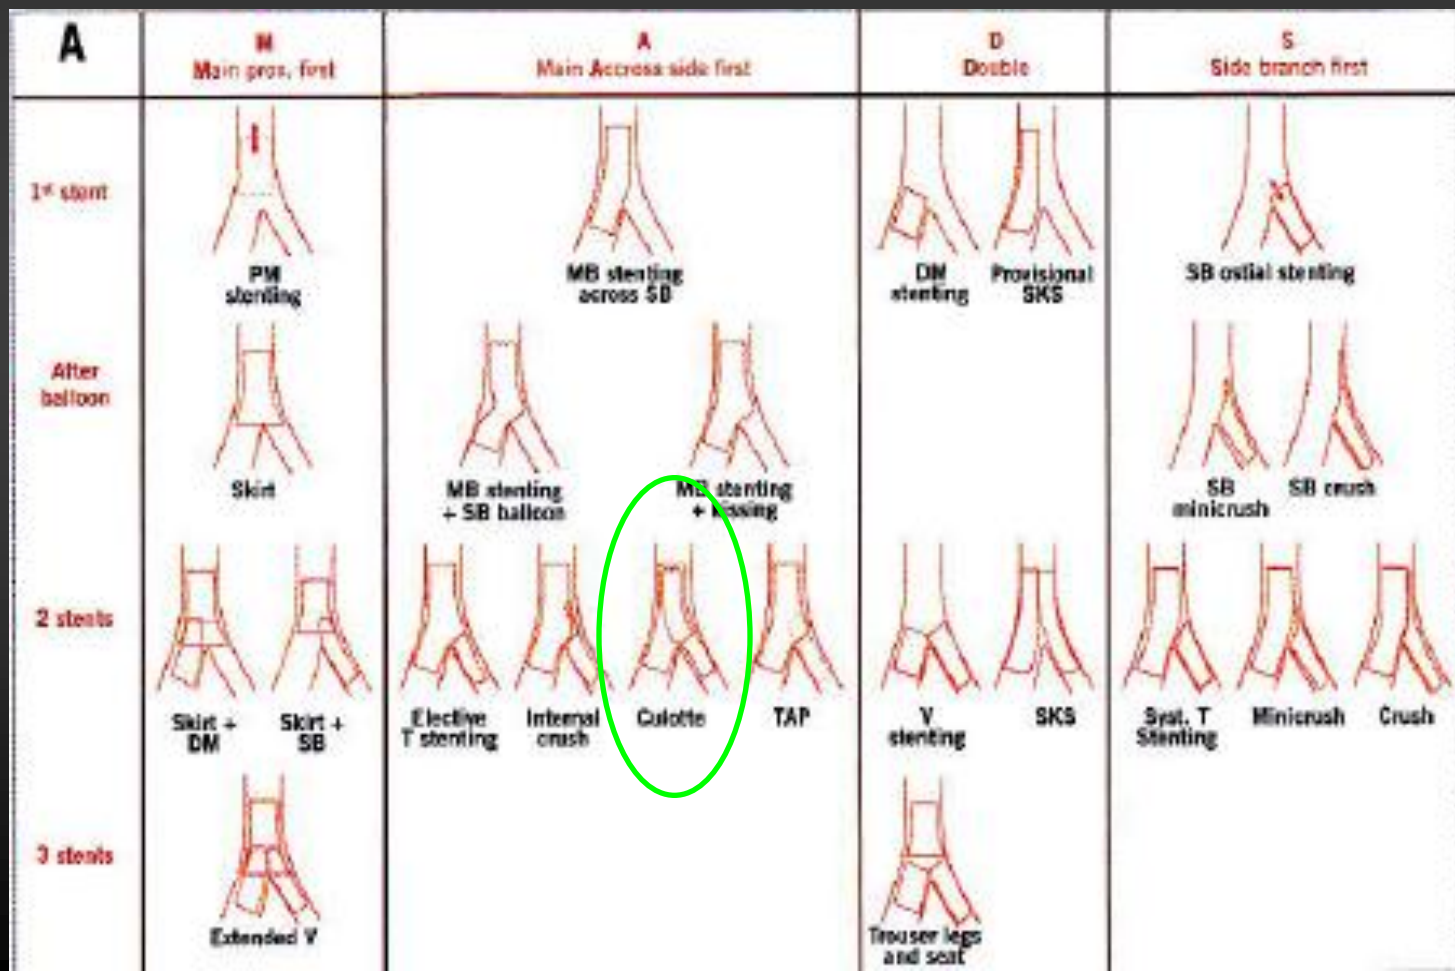

HOW ?

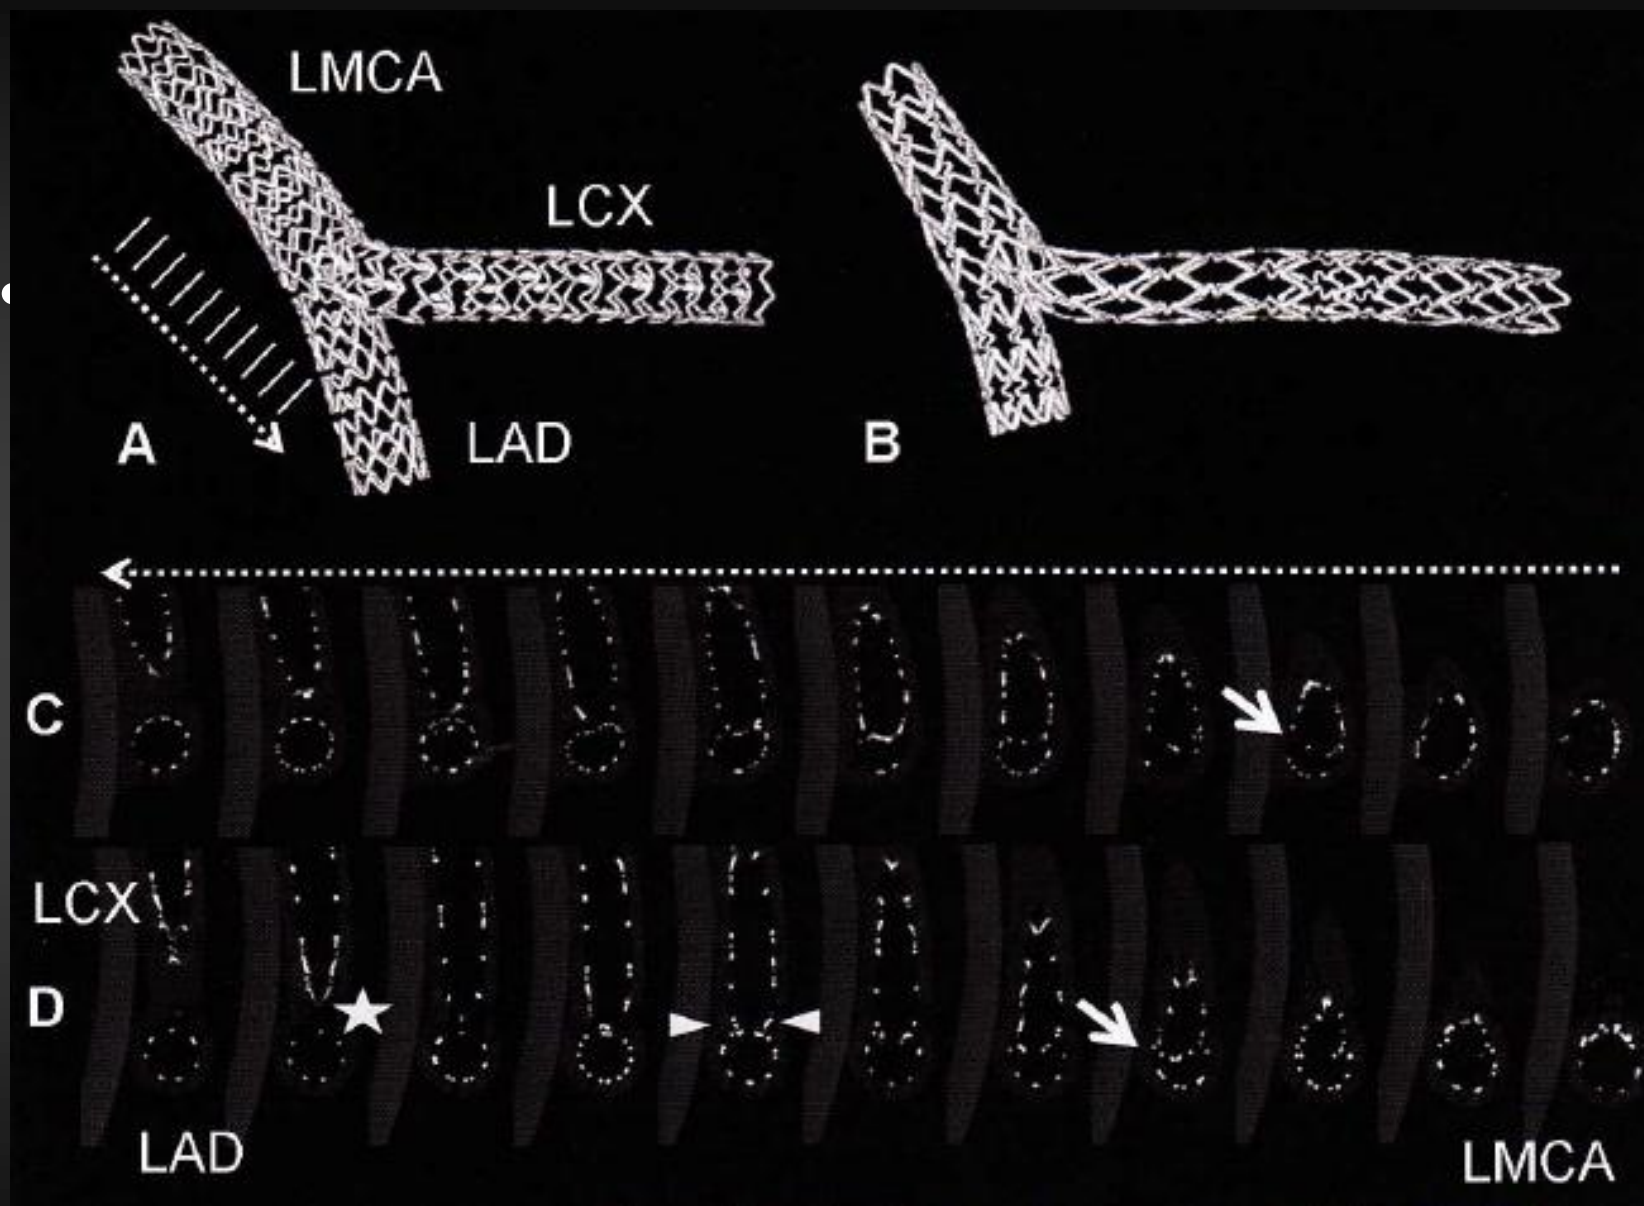

- Modelisation of the bifurcation

HOW ?

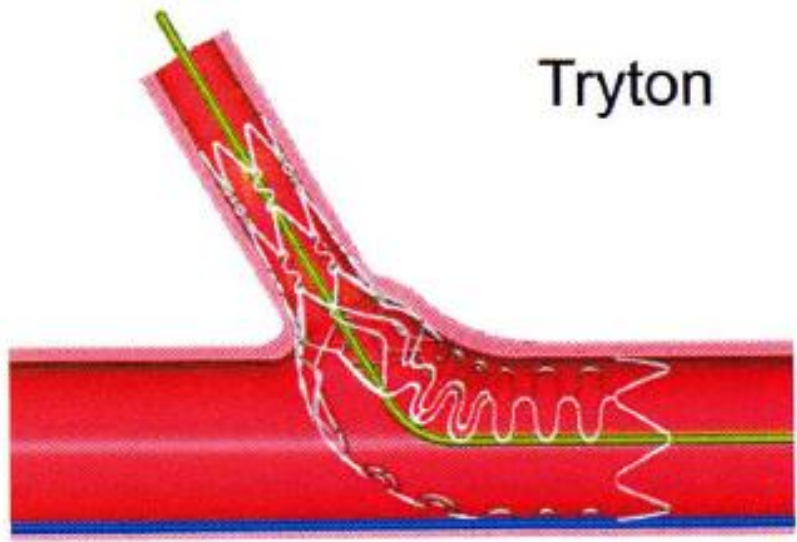

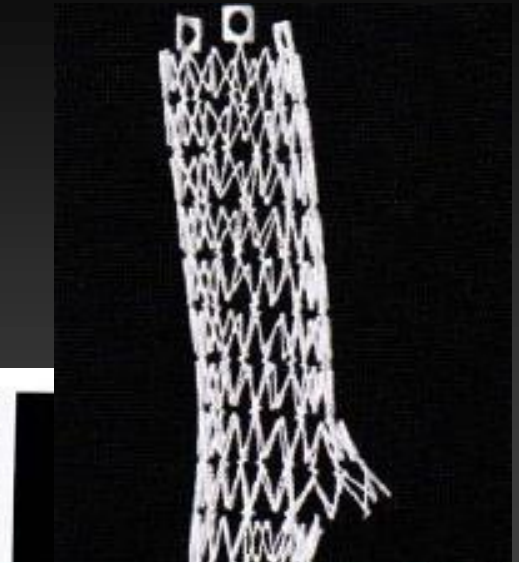

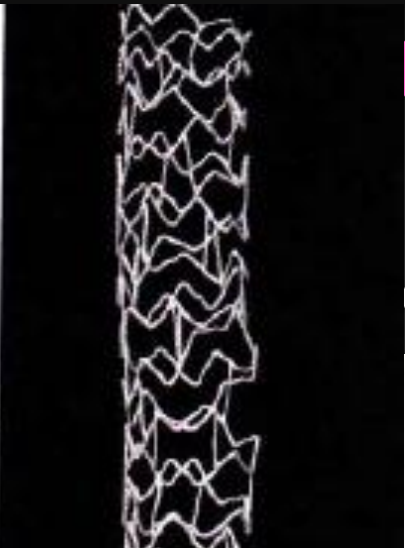

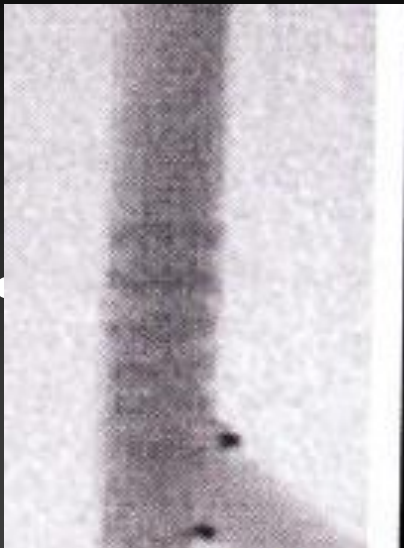

- Classification of the bifurcation treatment

How ?

Devices

Tryton

Sideguard

Twin-Rail

NILE

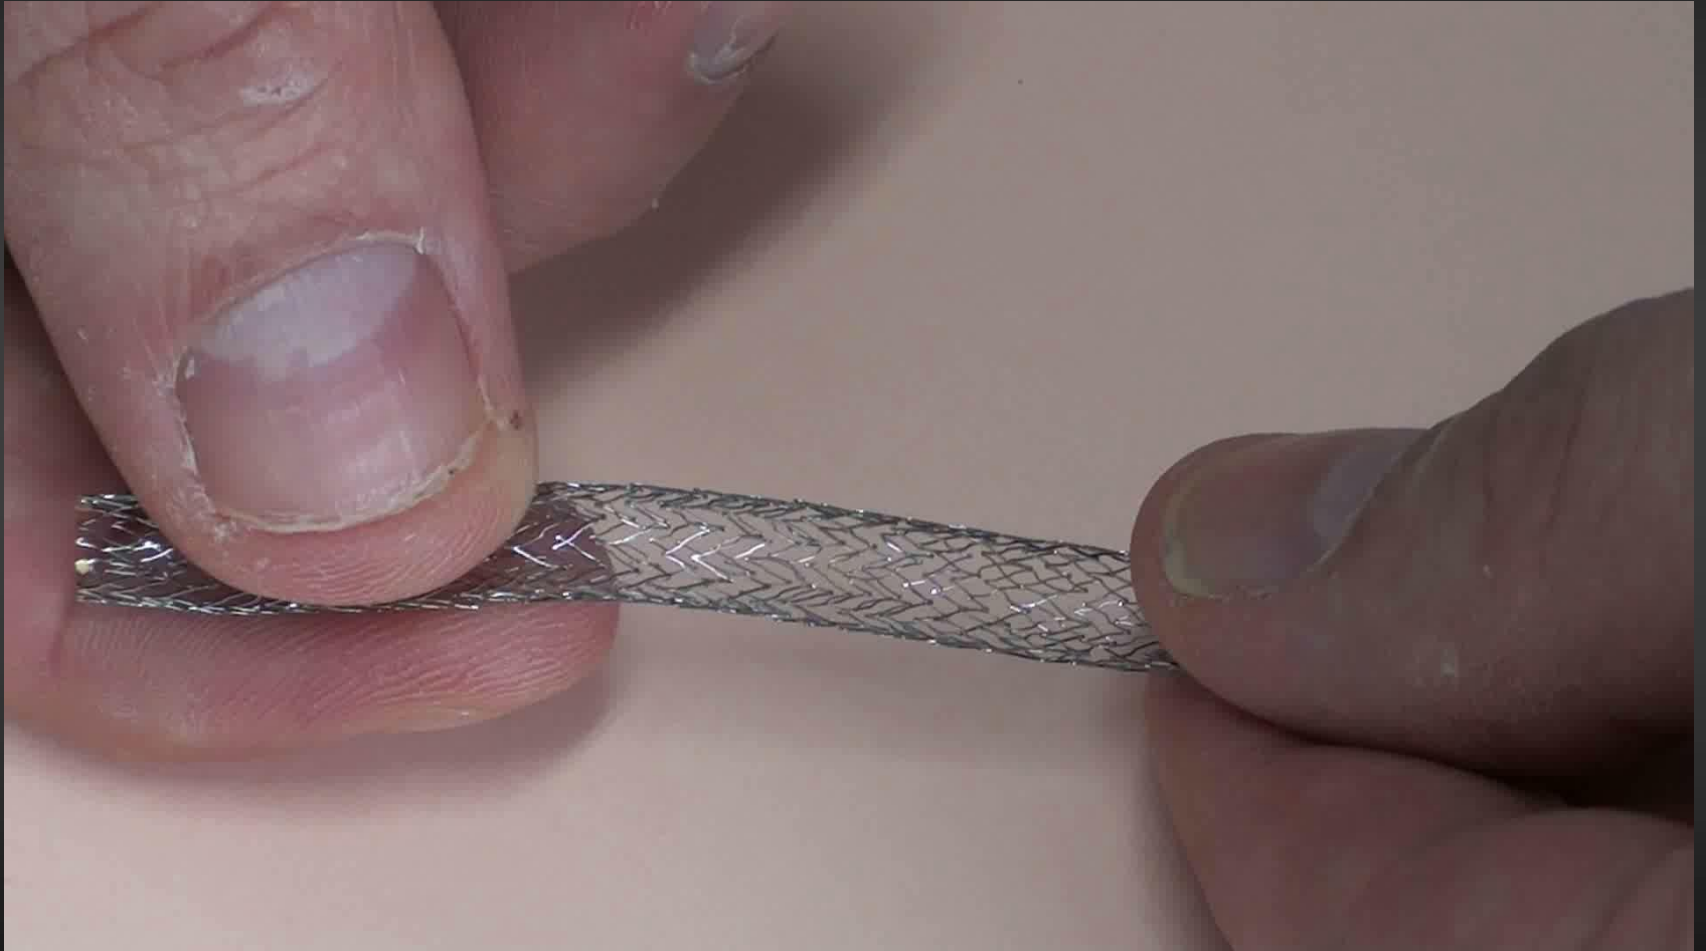

Petal

Abbott's SB

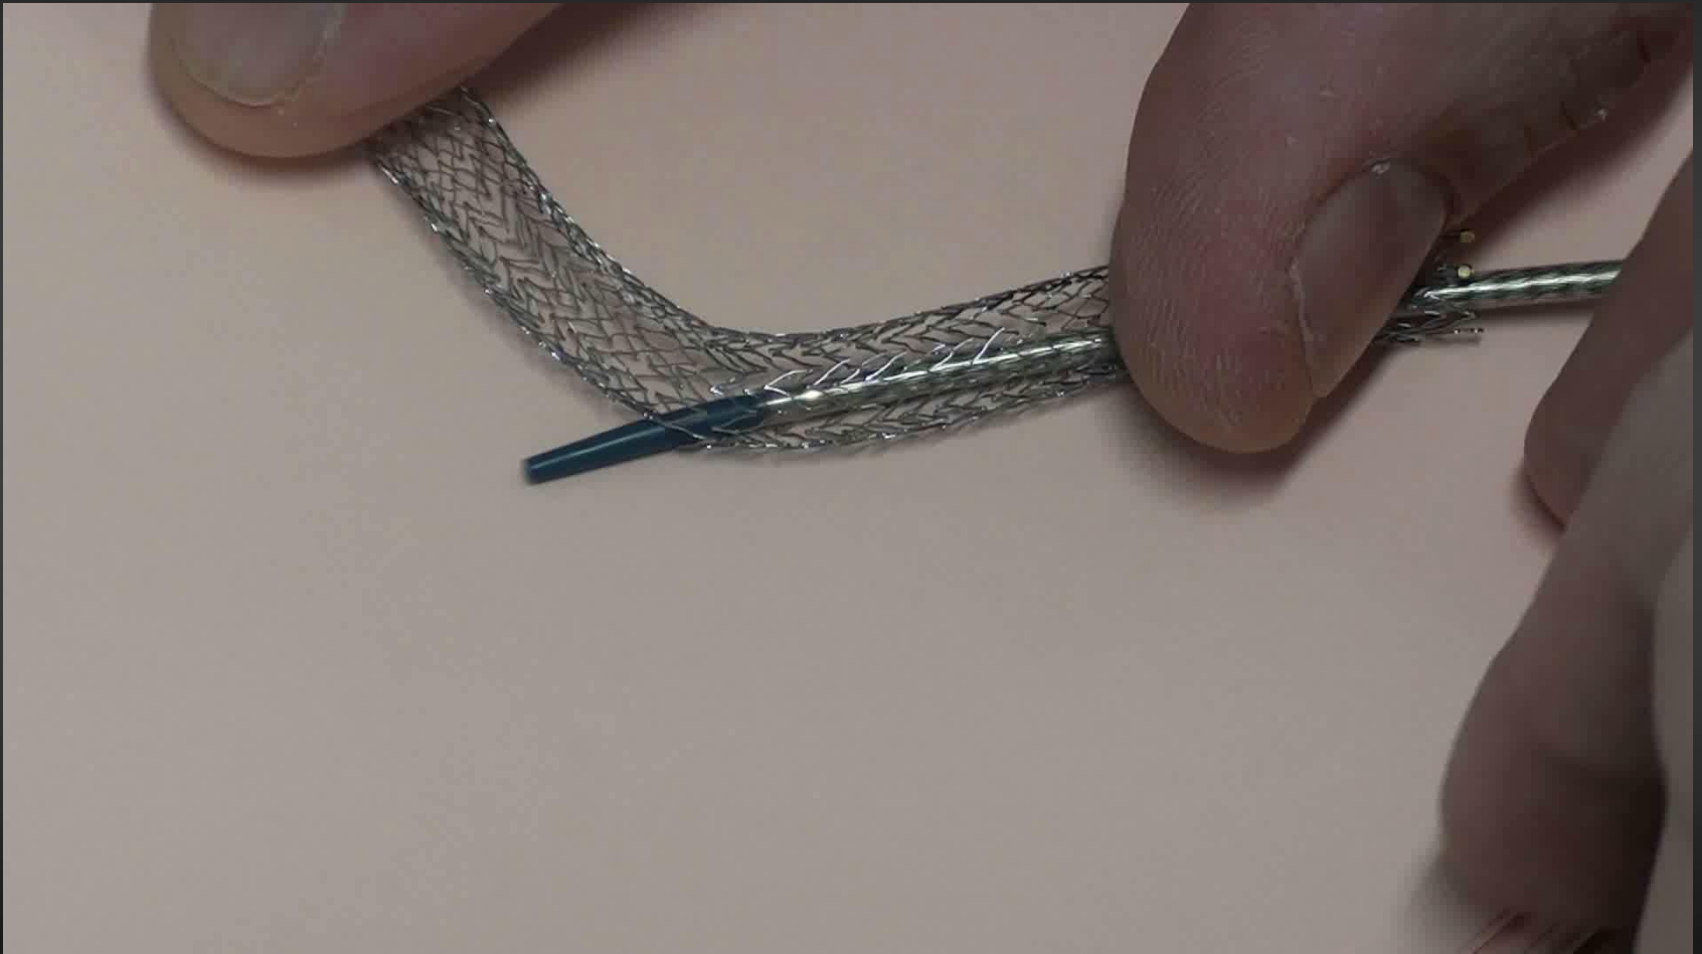

HOW ?

- The choice of the most adapted stent
 - Large struts
 - Efficient
